

## METHODS TO RESTRICT HUNTING

# PORTUGAL

### WHAT IS YOUR AIM?

#### Ban or Control?

#### Ban hunting

**Check eligibility**  
Owner, usufruct or lessee?

**Hold Hunting Licence?**

**Submit to ICNF**  
Maps, ownership, evidence

**Granted by ICNF?**

**Right not to hunt**  
6-12 years, auto-renewable,  
hunting prohibited

**Ongoing Obligations**  
No hunting permitted  
Maintain signage  
Remove signs within 30 days if right ends

If corporate object includes exploitation of hunting resources or members of its corporate bodies hold hunting licences

No

Yes

**Not eligible**  
Resolve or use ZCT

**Application unsuccessful**

#### Grounds for Extinction

- If the underlying property rights that justified the application cease to exist
- If right not renewed at the end of its term
- If the eligibility conditions are no longer met
- If hunting takes place on the land with the consent of the holder

#### Control access

**Tourist Hunting Zone**  
ZCT - controls access

**Does NOT ban hunting**  
(hunting still permitted)

**Submit to ICNF**  
Min 400ha, maps, owner list,  
management plan

**ZCT created by order**  
6-12 years, renewable,  
concession granted

**Ongoing Obligations**  
Follow hunting rules & plan  
Maintain signage  
Pay annual fee  
Report season results to ICNF by 15 June each year
